”

OUR STRATEGIC ACTION PLAN

SHORT COURSES/ ONLINE TRAINING

To develop students as knowledgable, skillful and creative participants who are confident and compentant to develop the basic fundamentals of 21st century education skills

LONG COURSES/ ONLINE LEARNING

To provide facilities for students to engage in their studies remotely.

INNOVATION

To develop 21st century skills through the design and delivery of custom innovation, workshops, training, mentorship, consultancy, sprints & hackathons

VALIDATION

To empower people with valuable tools, educating them about what it takes to create a high value, sustainable business that boosts high value employment.

ACCELERATOR

To help entrepreneurs succeed. The Ludgate Accelerator programmes is geared towards existing businesses that have the potential to grow. The accelerator will offer education support, networking, idea interrogation and mentoring opportunities in a hybrid education environment..

INCUBATOR

To help entrepreneurs succeed. The Ludgate Incubator while help "incubate" disruptive ideas with the hope of building out a business model and company by focusing on innovation.

SCALING

To help scaling companies succeed.

FUTURE SKILLS RESEARCH CENTRE & STUDY SPACE

To better understand future skills priorities, knowledge gaps, and leading practices, and will help build capacity to address these demands. The FSRS is a collaboration between UCC, CIT & TUD.
